## News Release

# Consortium led by University of Minnesota Institute for Health Informatics Lands Grant of More than \$5 million

*By Itollegs on Wednesday, April 28, 2010*

A consortium led by the University of Minnesota Institute for Health Informatics has been awarded more than \$5 million to train health professionals in the field of health informatics. In a partnership that also includes the U of M Crookston and the College of St. Scholastica, Professor Adel Ali, Ph.D., head of the Math, Science, and Technology Department will serve as the lead investigator from the Crookston Campus.
